<b>Policy Type:</b>	Membership
<b>Policy Reference:</b>	1.3
<b>Effective Date:</b>	2018-2019 Season
<b>Approved:</b>	November 7, 2018

Athlete progression is defined as an athlete switching from a group of original registration to the next higher group. The groups in order of development are:

1. FUNdamentals
2. Novice
3. Intermediate
4. Advanced

When athletes are progressed mid-season, they will be responsible for additional fees subject to the following points:

1. Athletes progressed before November 30<sup>th</sup> of a given season are responsible for 100% of the difference in cost between the program of original registration and the new program.
2. Athletes progressed between December 1 and January 31 of a given season are responsible for 50% of the difference in cost between the program of original registration and the new program.
3. Athletes advanced after February 1 of a given season are not responsible for any additional fees.

Mid-season athlete progression is never mandatory. If an athlete is invited to progress to the next group, they have the option to reject or delay the progression.

Athletes changing from one subgroup to another subgroup within the same overarching group (for example Intermediate Stage 1 to Intermediate Stage 2) are not considered to be progressed, and no additional fees are required.
